

# Insert Note Taking: Get out the post-its!

- Prepare graphic organizer  
Two columns “New Information” and “Confusing Information/Words I don’t understand”
- Read and mark the text (post-its)  
+ or – (understand or don’t understand)
- Write on graphic organizer  
Transfer (write) the information they have learned and what is confusing onto graphic organizer  
  
Share what they have learned AND A concept or word they don’t understand  
  
Teacher addresses questions as students take notes

New Information

Confusing Information/Unknown Words
